Date

In the event that we would need additional space for more campers, would you be willing to have your child join the next age group above them (Example: 4 year old to the 5-6 year old group or 6 year old to the 7-10 year old group):

- Yes, I would allow my child to move to the next age group.
- No, I do not feel my child is ready to move up to the next age group.
