## Walking Trip Permission Slip

Since the weather is getting nice, we would like to take the children on a walking trip to the retirement community that is located next to Harleysville Medical Center. They have a nice walking path that we can use. Because we will be off Harleysville Learning Center property, we need your permission to be able to take your child. Be assured that we will not be walking on Route 63, but through our parking lot and the field in between buildings. Please return the form below to the office, so we can begin taking the children on these walks.

Thanks.
